

Don I Am: The Flimflam Man

By Thomas Bacher
Based on a Dr. Seuss book

I am Don. I am Don. Don I am.
That Don-I-Am! That Don-I-Am! I do not like that Don-I-Am!

Would you like another man?

I do not like that Don-I-Am.
I do not like that lying man

Would you give him a hearty cheer?

I would not give him a hearty cheer.

I would not like him to be here.

I do not like that flimflam man.

I do not like that, Don-I-Am.

Would you like him in the White House?

Would you like him as a spouse?

I do not like him in the White House.

I do not like him as a spouse.

I do not like him on a golf course.

I do not like him, let's divorce.

I do not like that flimflam man.

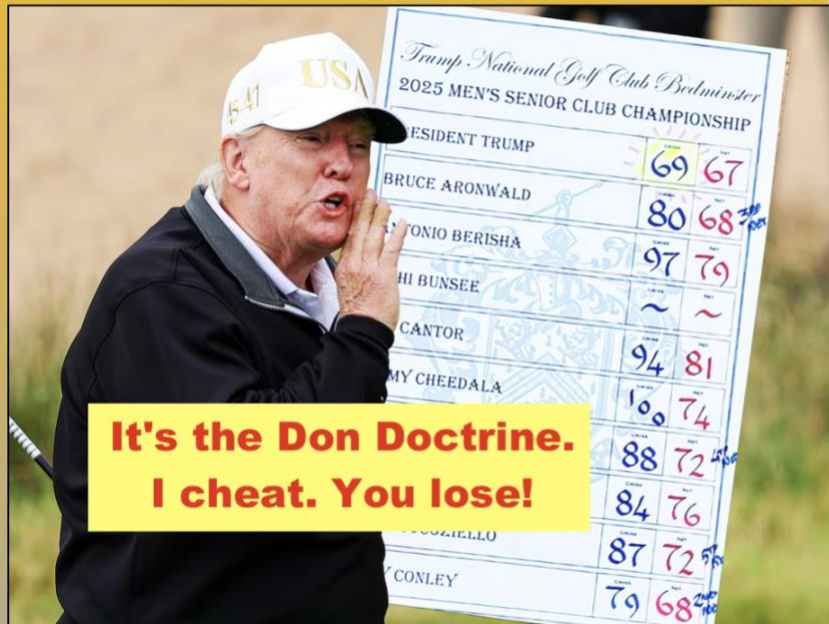

I do not like him, Don-I-Am.

Would you watch him steal some docs?
Would you watch him tank some stocks?

Not steal some docs. Not tank some stocks.
Not in the White House. Not as a spouse.
I would not trust him here or there
I would not trust him anywhere.
I would not trust his fake tan.
I do not trust that flimflam man.

Would you? Could you? He's a tsar?
Stop him! Stop him! He's gone too far.
I would not, could not, he's no tsar.

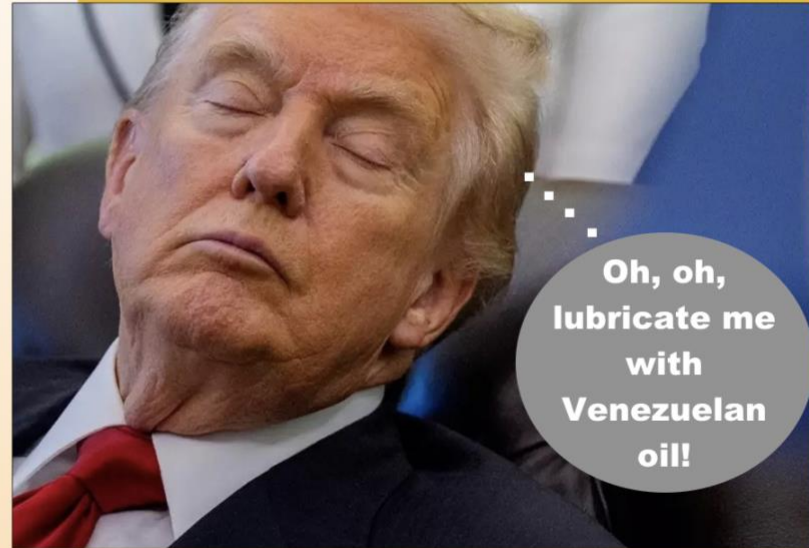

You may like him. You will see.
You may like him on bended knee!

I do not like him in the White House.
I do not like him as a spouse.
I do not like him on a golf course.
I do not like him, let's divorce.

I would not trust him here or there.
I would not trust him anywhere.
I would not trust his fake tan.
I do not like that flimflam man.

A war! A war! A war! A war!
Could you, would you fight a war?

Not in a war! Not on bended knee!
Not as a tsar! Don! Let me be!
I would not, could not, with my docs.
I would not, could not, with my stocks.
I will not trust him in the White House.
I will not trust him here or there.
I will not trust him anywhere.
I do not like that flimflam man.
I do not like him, Don-I-am.

Say! On the Ark? Noah's wooden ark!
Would you, could you on the ark?
I would not, could not, on the ark.

Would you, could you sustain his reign?
I would not, could not sustain his reign.

Not on the ark. Not as a tsar.
Not in a war! Not on bended knee!
I do not like him, Don, you see.
Not in the White House. Not with my docs.
Not as a spouse. Not with my stocks.
I will not trust him here or there.
I will not trust him anywhere.
I do not like that flimflam man.
I do not like him, Don-I-am.

I want your prize!

**You ain't getting
my prize!**

Could you, would you, watch him gloat?
I would not, could not watch him gloat!

Would you, could you, give him the vote?
I could not, would not give him the vote.

I will not, will not, watch him gloat.
I would not, could not sustain his reign.
Not on the ark. Not as a tsar.
Not in a war! Not on bended knee!
I do not like him, Don, you see.
Not in the White House. Not with my docs.
Not as a spouse. Not with my stocks.
I will not trust him here or there.
I will not trust him anywhere.
I do not like that flimflam man.
I do not like him, Don-I-am.

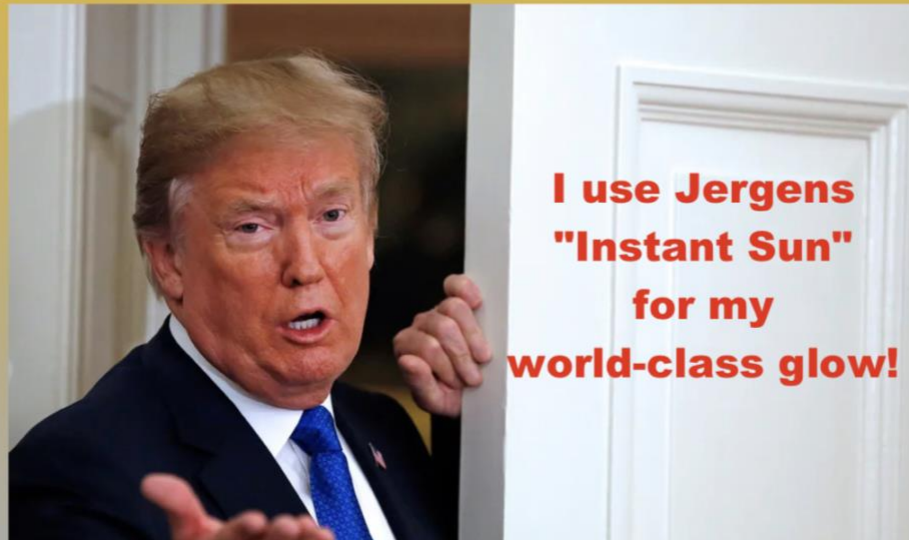

You do not like him. So, you say.
Trust him! Trust him! And you may.
Trust him. and you may, I say

Don! If you let me be,
I will trust you. You will see.

(... So I trust him ...)

Say! I still do not like that flimflam man.
I don't! I spurn you, Don-I-am!
And I will not give to you my vote.
And I won't stay and watch you gloat.
And I will not sustain your reign.
And not on the ark. And not in war.
And not with a fake tan. And not on bended knee

He is so bad, so bad, you see!
So, I will not trust him with my docs.
Not with my stocks.
And not trust him in the White House.
And I will not trust him here and there.
Say! I will not trust him anywhere!
I do not like that flimflam man.
Goodbye! Goodbye, Don I am.
